Thanks so much for your interest in Bluegrass Cheerleading. It is with much anticipation and excitement that we begin our seventh season of competitive cheerleading. With 28 national championships, 8 grand championships, and numerous state and regional titles in the past 8 years; we are preparing for another fantastic year!

Our program prepares cheerleaders for competition as well as local performances. Competition season runs October thru April, with most of our teams attending one competition each month. In order to have the most competitive teams possible, the coaches will place cheerleaders according to age and skill level. Our desire is that all of our students excel both inside and outside the gym. By creating a fun and safe atmosphere, we believe these children will grow into mature, respectful, and successful young adults.

Below are possible competition destinations for the coming season – we will not attend all of these competitions!

NASHVILLE, TN
EVANSVILLE, IN
PADUCAH, KY
LOUISVILLE, KY
INDIANAPOLIS, IN
LEXINGTON, KY
CINCINNATI, OH.
